

Textile Center Supply List

Intro to Crewel: Burden, Laid, and Battlement
James Morehouse

Please bring with you to class:

Materials fee \$15, payable to the instructor (includes kit with Appleton Wool yarns, linen fabric, needles, and stitch guide)

6-8" embroidery hoop – An Elbese type embroidery seat frame works best, as this allows for two handed stitching!

Sharp embroidery scissors

NOTE—YOU ONLY NEED ONE KIT if you are taking both of his Intro to Crewel classes!

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs. Enter through the back door by ringing the bell.
