Textile Center Supply List

Stitched Sachet
Sandra Brick

You are welcome to order a class supply kit with your class registration for an additional $10 for curbside pick-up, or $17 with shipping.

To participate in this class, students will need to have a personal computer with access to Zoom video conferencing software, a strong internet connection with enough bandwidth for video, and the proper class materials. Students are responsible for a computer, internet, and procuring materials independently. The cost for materials is not included in the cost for registration.

Where can I get the class materials?
- Please see the material list below
- Order online- the instructor has included their preferred resources for the specific materials needed for the class
- Local textile supply, hobby, or craft store
- Personal items/stash/equipment—feel free to use materials that you have on hand to substitute, if you feel confident they will work to do the job!

The success of your experience in our digital classes is contingent on being able to fully participate through both the audio and video functions of Zoom. If you do not use the listed materials below, or do not have a strong internet connection with enough bandwidth to use the Zoom video function, your experience and/or project may come out differently.

Materials:
Embroidery hoop, to fit your fabric
4 different colors of embroidery floss, roughly 3 feet of each color (more if you want to stitch more!)
Embroidery needle
Pins
2 8-inch squares of fabric (or larger—if you want a larger pillow!)
Lavender, 2-3 Tablespoons is probably enough (rose petals, dried mint, any dried fragrant herb works!)
Sachet pouch to hold the lavender or whatever scent you are using
Poly fill, beans, rice for filling the pillow

* Program staff will send a reminder email with the Zoom link before the class.
